

Σε ευχαριστώ πολύ, είναι OK για αρχή αλλά έχει αρκετή δουλίτσα ακόμα για να φτάσει στο επίπεδο και περιεχόμενο που θέλουμε. Σαν τελικό θέλουμε κάτι κοντά σε αυτό : <https://www.ans.org/> ή/και αυτό <https://www.nuclearinst.com/>

Προχωράμε με το 1, σου γράφω πρώτο γύρο από αλλαγές, αν μπορείς δες τα μεσα στο ΣΚ και μου στέλνεις. Αν διαφωνείς με κάποια από τις αλλαγές πες μου και το βρίσκουμε.

Landing Page

1. Διαγραφή του τρισδιάστατου ατόμου με την σημαία, νομίζω δεν χρειάζεται, αν θες κάτι εκεί βάλε τον πυρήνα του Logo
2. Το κείμενο "The Hellenic.... Diaspora." θα πρέπει να είναι μεγαλύτερο font, με μεγαλύτερο letter spacing και παραγράφους. Προτείνω να έχει ένα απλό μονόχρωμο box από πίσω για να διαβάσετε εύκολα.
3. Αφού κάνεις scroll στο Overview Mission, Vision το background προτείνω να γίνει λευκό, και τα γράμματα μπλε ή μαύρα και να μείνει έτσι για την υπόλοιπη σελίδα πιο κάτω. Το κείμενο θα πρέπει επίσης να γίνει μεγαλύτερο font με μεγαλύτερο line spacing ώστε να διαβάζεται πιο εύκολα, δες παράδειγμα εδώ: <https://www.ans.org/about/>
4. Η Εικόνα Become a Member θα πρέπει να αλλαχτεί με φώτο ανθρώπων, σου επισυνάπτω μια από συνάντηση της ΕΚΠΕ, θα βγάλουμε και καλύτερες
5. Το section Become a Member δεν θέλει κείμενο, απλά βάλε ένα button που να γραφει Memberships και να σε πηγαίνει στο page

Membership

1. Σημαντικό, το membership form θα είναι PDF που θα κατεβάζουν, θα συμπληρώνουν και θα στέλνουν με email. Επομένως δεν χρειάζεται membership request form στο site.
2. Το background να γίνεται λευκό μετά το Member Benefits
3. Στο section Memberships, θα πρέπει να περιγράφει τα 3 διαφορετικά είδη, με τις περιγραφές που σου έχω γράψει στο doc.

Κάθε είδος θα έχει και ένα κουμπι, το student kai professional το κουμπι θα γράφει "Download Application Form", το Organization θα γράφει "Contact Us" και θα ανοίγει email με το email address μας. Τέλειο παράδειγμα έχει εδώ <https://www.nuclearinst.com/membership/4.Membership.Requirements.and.Information>, Αυτό είναι τέλειο, απλά προτείνω να πιάνει ολόκληρο το πλάτος/width

Landing Page

The Hellenic Nuclear Energy Society (HNES) is a non-profit scientific society dedicated to the advancement of nuclear energy in Greece. We aim to serve as a source of independent scientific knowledge for the Greek public while functioning as a global networking hub for nuclear energy professionals and students within Greece and the Diaspora.

About HNES

Overview

HNES was founded in 2026 by more than 20 leading Greek nuclear professionals worldwide, to provide a structured scientific framework for the advancement of nuclear technology in Greece. The society serves as the central networking hub for the Hellenic nuclear diaspora, connecting experts in academia, industry, law, and maritime.

Our Mission

To facilitate a globally connected community of nuclear professionals that cultivates scientific excellence and public literacy, enabling the adoption of nuclear energy for Greece's sustainable development and energy security.

Our Vision

To achieve a resilient energy future for Greece through the strategic adoption of nuclear energy, underpinned by a public with access to

objective scientific information and a globally connected community of Hellenic nuclear experts.

Founding Members

Visual Effect with photos of members, names and affiliation, scrollable.

Membership Page

Apply to become a proud member of HNES and enjoy our growing Member Benefits!

Member Benefits

1. **Networking:** Direct engagement with the largest group of Hellenic nuclear energy professionals and academics globally. Invitation to HNES gatherings and events.
2. **WG Participation:** Right to participate in HNES 2026 technical and regulatory working groups aiming to produce relevant research and technical papers.
3. **Governance:** Full voting rights and participation in the HNES General Meeting.
4. **Member Resources:** Access to member-exclusive online material (currently in development).

Disclaimer: 2026 is the HNES Launch Year. Our benefits will scale as we grow - early members possess the unique opportunity to shape the society's early steps and products.

Membership Requirements and Information*

Professional and Student membership is open to individuals **practicing or training** within the following disciplines:

Engineering

Physics

Chemistry

Technician, Electrician, Welder, Machinery Operator

Construction

Safety and Radiation Protection

Regulation

Plant Operation

Commercial & Nuclear Law

Insurance

Finance

Data Analysis & Machine Learning

Journalism and Science Communication

Defence Industry

* Each membership application is reviewed by the HNES Membership Committee to ensure alignment with the Society's standards and membership requirements. HNES is an international organization, Greek nationality is not required to join. HNES reserves the right to decline any application at its sole discretion and is not obligated to provide specific details regarding the Committee's decision.

About Nuclear Energy Page

A page that displays various blog articles written by hnes users. Users that have logged in with @hnes.gr email will be able to write, post, and edit the articles.

Article templates should have the following information:

Title
